

# Cygnus Fire Call Point & First Aid Alert

## CYG2F

The impressive combined Cygnus fire call point and first aid alarm has all features of the CYG2 alarm but in addition boast the first aid alert functionality for first aid emergencies. This operates in a different way to a fire alarm so as to distinguish the type of alarm. When a first aid alert is raised, each first aid device will beep intermittently every 8 seconds.

### Technical Specification

### CYG2F

Size H x W x D (mm)	265 x 170 x 90
Aerial Height (mm)	230
Weight (kg / Lbs)	1.72 / 3.80
IP Rated	IP65
Frequency	868MHz
Category 1	YES
Noise Level (db.)	122 as standard or 85
Power	Battery Power Pack
Alkaline Power Pack 0.84kgs	YES as standard
Lithium Power Pack (Available on request)	YES
Available With PIR	YES
Aerial Type	External Mount
Warranty	12 Months
Quantity (per box)	2 or 8
