

## Health & Safety Policy Statement (5.2)

Bull Products Ltd recognises its Health and Safety duties under the Health and Safety at Work Act 1974, the Management of Health & Safety at Work Regulations 1999 and accompanying protective legislation.

The Directors Responsible for Health and Safety recognise that he has a responsibility to ensure that all reasonable precautions are taken to provide and maintain working conditions which are safe, healthy and comply with all statutory requirements and codes of practice and commitment to satisfy applicable requirements as well as ensuring The Company's intent to the prevention of injury and ill health is followed.

Bull Products Ltd, so far as is reasonably practicable, proposes to pay particular attention to:

- Stallard Kane Associates Ltd as H&S advisors to ensure compliance and maintain statutory duties.
- The provision and maintenance of a safe place of work, a safe system of work, safe appliances for work, and a safe and healthy working environment
- The provision of such information and instruction as may be necessary to ensure the Health and Safety of its employees and others, and the promotion of awareness and understanding of Health and Safety throughout the workforce.
- Ensuring the safety and absence of health risks in connection with use, handling, storage and transport of all articles, substances and equipment
- Making regular assessments of risks to employees and taking appropriate preventative/protective measures as identified by Risk Assessment.

Bull Products acknowledges that the key to successful Health & Safety Management requires an affective policy, organisation and arrangements which reflect the commitment of Senior Management that we will continually measure, monitor and revise where necessary to ensure that safety standards are adequately maintained.

Bull Products Ltd will ensure adequate resources both time and money are made available to the necessary people to ensure that the items listed above are implemented and all employees are provided with the necessary instruction, information, training and supervision to enable them to carry out their work without risk to themselves or others.

An annual review of the Health and Policy will also be undertaken to ensure it is relevant to the work being undertaken by the company and all legislation, regulations and codes of practice will be maintained and where the policy needs adjustment this will be expanded.

We request that our customers and visitors respect this policy, a copy of which will be displayed on the company Website and at key locations around the establishment and will be made available to interested parties upon request.
