

Water Mist Fire Extinguisher

WAMEX6 and WAMEX3

- Multipurpose covering many classes of fire risk
- The fine mist has been tested over five years to be Legionella-free
- Training is easier and simplified
- Minimal collateral damage in a real fire situation so downtime is reduced
- Exceptional at clearing smoke
- Lower costs for servicing, disposal of agents, training and downtime

| Specifications | WAMEX6 | WAMEX3 |
|---------------------|------------------------|------------------------|
| Capacity | 6ltr | 3ltr |
| Fire rating | 13A 75F (21B) | 8A 25F (13B) |
| Medium | Water | Water |
| Operating pressure | 12 Bar | 12 Bar |
| Temperature range | +5 °C to +60 °C | +5 °C to +60 °C |
| Cylinder material | Low carbon steel DC-01 | Low carbon steel DC-01 |
| Pressuring gas | Nitrogen | Nitrogen |
| Dimensions (HxD mm) | 585x183 | 525x161 |
| MED approved | Yes | Yes |
| Weight | 11.2kg | 6.7kg |
